

Made To Minister Conference 2024
Conflict Resolution Workshop – Session 1

Why Conflicts Exists

James 4:1-10

Presented by
Pastor Pete Potloff

Four Truths About Conflict

1. Conflict with others starts within (v. 1-3)
2. Our struggle is ultimately with God (v. 4-5)
3. God's grace makes reconciliation possible (v. 6)
4. Harmony for two starts with humility in you (v. 7-10)

Bottom Line: If we must fight, fight to be Godly, not right.

Quotes:

"The more fully we are reconciled to God, the more fully we want to be reconciled to others, no matter the cost."

Erwin Lutzer

"Every family fights, but there is a world of difference between when you fight with someone and when you fight for someone. When you fight with someone, you want to win. When you fight for someone, you want that person to win. When you fight with people, walls are built up. When you fight for people, walls come down. We fight with people, relationships are jeopardized. We fight for people, relationships are prioritized."
