**Paul’s Perspective: Everything we receive in Christ surpasses anything we can achieve on our own.**

### **Four Reminders for Counselors**

1. The ultimate treasure of the Gospel is the gift of God Himself
2. “Knowing” Christ is the key to feeling settled, safe, and secure
3. The primary goal of all discipleship ministry should always be deeper intimacy with Jesus
4. To share about the transformative power of knowing Christ, we must first know it ourselves

**Is Christ your ultimate treasure?**
